English Communication Through Media	Baird University College	Baird University College	English
Introduction to East Asian Politics	Baird University College	Baird University College	English
Introduction to Korean Economy	Baird University College	Baird University College	English
Korean Arts and Culture	Baird University College	Baird University College	English
Public Speaking	Baird University College	Baird University College	English
Understanding Korea Society	Baird University College	Baird University College	English
International Accounting	College of Business Administration	Business Administration	English
Management Information System	College of Business Administration	Business Administration	English
Marketing	College of Business Administration	Business Administration	English
Customers, Markets & Marketing	College of Business Administration	Entrepreneurship & Small Business	English
Global Entrepreneurship	College of Business Administration	Entrepreneurship & Small Business	English
Econometrics	College of Economics & International Commerce	Economics	English
Seminar in Economics	College of Economics & International Commerce	Economics	English
International Commerce in China	College of Economics & International Commerce	International Commerce	Chinese
International Trade Insurance	College of Economics & International Commerce	International Commerce	English
Theory of Balance of Payments	College of Economics & International Commerce	International Commerce	English
Basic Architectural Design	College of Engineering	Architecture	English
CADD2	College of Engineering	Architecture	English
Design Studio 4	College of Engineering	Architecture	English
Heat Transfer	College of Engineering	Chemical/Environmental Engineering	English
Transport Phenomena	College of Engineering	Chemical/Environmental Engineering	English
Electrical and Electronic Materials	College of Engineering	Electrical Engineering	English
Electronics Engineering	College of Engineering	Electrical Engineering	English
Power Electronics	College of Engineering	Electrical Engineering	English
Concurrent Engineering	College of Engineering	Industrial Information Systems Engineering	English
Linear Algebra	College of Engineering	Industrial Information Systems Engineering	English
Fabric Design	College of Engineering	Organic Materials and Fiber Engineering	English
Instrumental Analysis	College of Engineering	Organic Materials and Fiber Engineering	English
Advanced Chinese Conversation	College of Humanities	Chinese Language & Literature	Chinese
Business Chinese Conversation	College of Humanities	Chinese Language & Literature	Chinese
Chinese Language Laboratory 2	College of Humanities	Chinese Language & Literature	Chinese
Chinese Literature & Arts	College of Humanities	Chinese Language & Literature	Chinese
Asia Church History	College of Humanities	Christian Studies	English
Christian Culture	College of Humanities	Christian Studies	English
Christian Sociology	College of Humanities	Christian Studies	English
Introduction to Christian Psychology	College of Humanities	Christian Studies	English
Introduction to christian studies	College of Humanities	Christian Studies	English

Course	College	Department	Language
Korean Church History	College of Humanities	Christian Studies	English
Old Testament Theology	College of Humanities	Christian Studies	English
Understanding Old-Testament Studies	College of Humanities	Christian Studies	English
Energy Engineering	College of Engineering	Mechanical Engineering	English
20th Century British and American Literature and Film	College of Humanities	English Language & Literature	English
American Literature and Culture	College of Humanities	English Language & Literature	English
Drama English	College of Humanities	English Language & Literature	English
English Debate	College of Humanities	English Language & Literature	English
English Listening & Speaking I	College of Humanities	English Language & Literature	English
English Listening & Speaking II	College of Humanities	English Language & Literature	English
English Words	College of Humanities	English Language & Literature	English
Introduction to English Linguistics	College of Humanities	English Language & Literature	English
Modern American Novel	College of Humanities	English Language & Literature	English
Modern English/English-Speaking Countries Novel and Short Fiction	College of Humanities	English Language & Literature	English
Seminar in English Linguistics	College of Humanities	English Language & Literature	English
The British and American Literary Criticism	College of Humanities	English Language & Literature	English
Understanding Shakespeare	College of Humanities	English Language & Literature	English
Audio-visual French 2	College of Humanities	French Language & Literature	French
French Laboratory 2	College of Humanities	French Language & Literature	French
Living French Conversation 2	College of Humanities	French Language & Literature	French
Anti-Visual Training German 2	College of Humanities	German Language & Literature	German
German Conversation (2)	College of Humanities	German Language & Literature	German
German Conversation for Beginners	College of Humanities	German Language & Literature	German
Seminar in the western history	College of Humanities	History	English
Elementary Spoken Japanese 2	College of Humanities	Japanese Studies & Linguistics	Japanese
Intermediate Spoken Japanese 2	College of Humanities	Japanese Studies & Linguistics	Japanese
Practical Japanese Writing	College of Humanities	Japanese Studies & Linguistics	Japanese
Seminar in Contrastive Linguistics	College of Humanities	Japanese Studies & Linguistics	Japanese
Seminar in Japanese Economy	College of Humanities	Japanese Studies & Linguistics	Japanese
Studies on Japanese Popular Culture	College of Humanities	Japanese Studies & Linguistics	Japanese
Application of Distance Education	College of Humanities	Lifelong Education	English
Development and Application of e-Learning	College of Humanities	Lifelong Education	English
Discourse on Lifelong Education	College of Humanities	Lifelong Education	English
Human Life and Education	College of Humanities	Lifelong Education	English
Human Relations and Communication	College of Humanities	Lifelong Education	English
Human Resource Development Evaluation	College of Humanities	Lifelong Education	English
Introduction to Aging Education	College of Humanities	Lifelong Education	English
Introduction to Feminist Pedagogy	College of Humanities	Lifelong Education	English
Lifelong Education Methods	College of Humanities	Lifelong Education	English
Lifelong Education Program Development	College of Humanities	Lifelong Education	English
Needs Analysis for Human Resource Development	College of Humanities	Lifelong Education	English

Course	College	Department	Language
Presentation Skills for Lifelong Education	College of Humanities	Lifelong Education	English
Contemporary Ethics	College of Humanities	Philosophy	English
Philosophy of Arts	College of Humanities	Philosophy	English
Golf 2	College of Humanities	Sport for All Studies	English
Human Anatomy	College of Humanities	Sport for All Studies	English
Sport Marketing and Management	College of Humanities	Sport for All Studies	English
Computer Communications and Networks	College of Information Technology	Computing	English
Computer Mathematics 2	College of Information Technology	Computing	English
Database	College of Information Technology	Computing	English
Statistics and Practice	College of Information Technology	Computing	English
Advanced Engineering Mathematics	College of Information Technology	Electrical Engineering	English
Electromagnetic Fields & Waves	College of Information Technology	Electrical Engineering	English
Introduction of Media Art	College of Information Technology	Global Media	English
Media Authoring and Practice	College of Information Technology	Global Media	English
Constitutional Law (1)	College of Law	Law	English
Readings in Anglo-American Law	College of Law	Law	English
Biochemistry (2)	College of Natural Sciences	Chemistry	English
Environmental Chemistry	College of Natural Sciences	Chemistry	English
Complex Analysis (2)	College of Natural Sciences	Mathematics	English
Number Theory	College of Natural Sciences	Mathematics	English
Topics in Applied Mathematics	College of Natural Sciences	Mathematics	English
Electromagnetics (1)	College of Natural Sciences	Physics	English
Mathematical Statistics (II)	College of Natural Sciences	Statistics and Actuarial Science	English
Cell Biology	College of Natural Sciences	Systems Biomedical Science	English
Physical Chemistry & Lab.	College of Natural Sciences	Systems Biomedical Science	English
special topics in system biomedical sciences 2	College of Natural Sciences	Systems Biomedical Science	English
Cyber Culture	College of Social Sciences	Information Sociology	English
Network and International Society	College of Social Sciences	Information Sociology	English
social statistics	College of Social Sciences	Information Sociology	English
Seminar in PR	College of Social Sciences	Journalism, Public Relations and Advertising	English
Theory on production of visual image	College of Social Sciences	Journalism, Public Relations and Advertising	English
Legislative Studies	College of Social Sciences	Political Science & International Relations	English
Politics and History	College of Social Sciences	Political Science & International Relations	English
	College of Social Sciences	Social Welfare	English
Theories of Political Process in the Information Age	College of Social Sciences	Political Science & International Relations	English
Seminar in Social Welfare	College of Social Sciences	Social Welfare	English
Special Topics in Business Administration	Graduate School	Business Administration	English

Christian Ethics and Mass Consumption	Graduate School	Christian Studies	English
History of Christianity in Asia	Graduate School	Christian Studies	English
Post-Structuralism and Christian Sociology	Graduate School	Christian Studies	English

Course	College	Department	Language
Today's Eschatology	Graduate School	Christian Studies	English
Broadband Routing	Graduate School	Computing	English
Machine Learning	Graduate School	Computing	English
Adaptive Filter Theory	Graduate School	Electrical Engineering	English
Special topics in underwater acoustic communication	Graduate School	Electrical Engineering	English
Wireless Networks	Graduate School	Electrical Engineering	English
Discourse Analysis and Translation	Graduate School	English Language & Literature	English
Literature and Film	Graduate School	English Language & Literature	English
Modern American Drama	Graduate School	English Language & Literature	English
Structure of Modern English	Graduate School	English Language & Literature	English
Studies in Second Language Acquisition	Graduate School	English Language & Literature	English
Media Aesthetics and Theory Seminar	Graduate School	Global Media	English
Lifelong Educational Management	Graduate School	Lifelong Education	English
Policy on Vocational Education	Graduate School	Lifelong Education	English
Natural Organic Materials	Graduate School	Organic Materials and Fiber Engineering	English
Management of Sport for All(Lecture in English)	Graduate School	Sport for All Studies	English
Drinking Water Treatment	Graduate School	#NV	English
	School of Finance	School of Finance	English
Subject-Matter Analysis and Instruction			English
