The Viadrinum is an International Ukrainian Summer School that provides students and young scholars with the opportunity to deepen their knowledge about Ukraine, its language, history, politics and culture. With the help of an interdisciplinary approach of cultural, social and economic sciences we try to combine diverse perspectives with a focus on the current situation in Ukraine as well as its historical development. Therefore students and young scholars from all disciplines are invited.

## Academic Chair

Prof. Alexander Wöll

## Concept and Organisation

Stefan Henkel and Susann Worschech

## Contact

Stefan Henkel
