

VIP – FOR GRADUATES

(Viadrina International Program - for Graduates)

The Viadrina International Program – for Graduates (VIP) enables doctoral researchers of all faculties at the European University Viadrina to apply for a research stay of up to three-months abroad. The approval of applications is made by the Commission for the Appropriation of Funds within the Field of Research and Graduate Education of the European University Viadrina.

Fellowships for research stays abroad (max. 3 months)

TARGET GROUP

Eligible for application are doctoral researchers of all faculties at the European University Viadrina. A fellowship can only be requested if any other funding for the same purpose and period is not already received by the applicant.

TYPE OF FUNDING

In 2023, research stays abroad can be granted for up to 3 months in form of a travel and accommodation allowance. The amount of funding depends on the country of destination and the duration of the intended research stay and can be found on the VIP website. The actual duration of the research stay abroad may exceed the maximum funding period. Funding can be granted by no earlier than April 2023. Approved research stays can be granted until December 31, 2023 at the latest. The minimum stay abroad is 1 month.

In addition to the funding by the Viadrina International Program – for Graduates (VIP), it may also be possible to apply for grants for children, foster children and children living in the household at the family representative of the European University Viadrina.
