

## Researcher (TV-L 13) in business / PhD student / PostDoc

(ID 1203-19-02)

The Chair of Supply Chain Management as part of the Department of Information & Operation Management is a vibrant hub for academic research on quantitative models and methods in business administration at the European University Viadrina Frankfurt(Oder). Our goal is to contribute to the development of planning process in all parts of the supply chain.

We are looking to hire two academics (20-40 hours/week) from October 2019 for a three-year period. You will be given the opportunity of qualifying and writing a PhD and/or habilitation thesis in the area of Operations Management. Extension of the contract is possible.

The main tasks of this job include:

- Development and implementation of your own doctoral or habilitation project; independent academic work including publication
- Academic teaching
- Assistance with management and projects including collaboration in research projects of the chair in the area of operations management
- Contribute to the teaching program of the chair
- Administrative tasks at the chair and the university

Your profile:

- University (Master) degree in business administration, business informatics, business analytics, mathematics, operations research or a related field.
- Interest and ideally basic knowledge in operations management
- Interest and ideally basic knowledge in the application of quantitative methods (optimization, linear programming, simulation, machine learning)
- Basic programming skills
- Good English language skills
- Initiative, creative and good analytical skills

We offer:

- Working and collaborating in an active team of researchers in the department of Information and Operations Management
- Constant exchange with international researchers world-wide
- A lively university with an international profile
- A family-friendly university
- Flexible working time
- Health management (health courses or physiotherapeutic treatments with time off)
- Additional retirement provisions via the VBL
- Offers of professional training and further education

The European University Viadrina Frankfurt (Oder) supports diversity, equality, and inclusion at the workplace. We encourage women, persons with a migration background and any members of minority groups in our society, as well as less advantaged persons) to apply. Women as well as severely disabled applicants with equal qualification will be given preferential consideration.

For further information please contact Prof. Dr. Christian Almeder ([almeder@europa-uni.de](mailto:almeder@europa-uni.de)).

Please send your application (including the above-mentioned ID as a PDF file by **September 29<sup>th</sup>, 2019** to [almeder@europa-uni.de](mailto:almeder@europa-uni.de). Your data will be deleted immediately after completion of the selection process.
