

Stellenausschreibung

The Chair of Political Theory and Digital Democracy at the European New School of Digital Studies (ENS), European University Viadrina Foundation Frankfurt (Oder) is seeking to fill the position of an

Post-Doc Researcher (m/f/d) (identification number 1500-21-01) (100%, pay group E13/ E14 TV-L, 40 hrs/week, part-time possible)

The employment is limited until March 31, 2025.

Your tasks include:

- Assisting the chair in research and teaching as well as with the organizational and administrative tasks
- academic teaching (up to 4 hours/week, exclusively English-language teaching, no German required)
- independent research projects (especially publications in national and international peer-reviewed journals, participation in national and international conferences, acquisition of external funds)
- qualification, e.g. habilitation

Your profile:

- Excellent dissertation (or final phase of dissertation) in media or communication studies, political science, or related social science disciplines; a focus on political communication or digital communication is an advantage
- Outstanding knowledge of and experience with quantitative empirical research and computational research methods (e.g. Stata, R, Python), experience in research with social media data is an advantage
- Interest in computational social science, digital communication, and interdisciplinary research
- Strong ability to work independently and on your own initiative
- Very good command of written and spoken English
- Ability to work in a team and social competence

We offer you:

- A dynamic, innovative, interdisciplinary and internationally oriented working environment
- A family-friendly university with a great work-life balance
- Flexible working time models with a large degree of personal responsibility –
- Health management (health courses or physiotherapeutic treatments with time off from work)
- Additional pension provision via VBL
- Opportunities for professional training and further education

Within the framework of its equal opportunity concept, the European University Viadrina has set itself the strategic goal of significantly increasing the proportion of women in research and teaching and participates in the DFG's research-oriented equal opportunity standards. It therefore explicitly invites female scientists to apply. Female applicants can contact the Equal Opportunity Officer (www.europa-uni.de/gleichstellung). The university supports its members in balancing work and family life. It offers family-friendly study and working conditions. More information can be found at: (www.europa-uni.de/familie)

People with disabilities are given priority in case of equal aptitude and competence. It is advisable to mention a possible disability in the application.

Please send your application, quoting the above-mentioned identification number, as a PDF file to: bewerbung@europa-uni.de by March 11, 2021. The file will be deleted immediately after the selection process has been completed.
