Monday, May 2nd 2022

12:30   Meet in Hotel Lobby of City Park Hotel

13:00   Lunch

14:00   Welcome and Presentation of Participants

Open Workshop

This session will run according to participants analysing and critically reviewing the examples, practices and concepts used at their institution on the backdrop of the concept of CBL presented previously.

Method: presentations of institutional examples à 30 minutes each and 30 minutes discussion.

Topic: Analysing concepts, approaches and examples according to the matrix of CBL traits made by Cecilia and Jonas. The presentations should analyse the following aspects:

> Which approaches are used at the institutions? (CBL, project-based learning, case-based learning, learning for sustainable development, etc.)

> Name specific examples

> Analyse which elements of CBL are used, which aren't used, what is missing in order to represent a "full" CBL model, etc.

14:45   **Presentation 1**: European University Viadrina

15:45   Fika / coffee break

16:00   **Presentation 2:** University Malmö

17:00   End discussion

18:00   Campus / city tour

19:30   Dinner at Restaurant Villa Casino, Poland
