Student/Scientific Assistant m/f/d (working hours 5/week)

The employment is limited but can be extended.

Your tasks include:

- Support in research projects, especially in the field of elections, social media, digital campaigning, political communication
- Data collection and archiving
- Academic research tasks
- Supporting the planning and implementation of academic teaching
- Proofreading of publications

Your qualifications:

- A completed Bachelor degree
- Above-average performance in a social science study program (communication science, political science, digital media and technology studies are an advantage) at the European University Viadrina or any another university in the Berlin-Brandenburg area
- Interest in the topics of digital transformation, digital well-being, AI regulation, and design thinking from an information systems perspective
- Ability to work independently and on your own responsibility
- Very good command of written and spoken English
- Ability to work in a team and social competence

We offer you:

- A dynamic, innovative, interdisciplinary and internationally oriented work environment
- Involvement in projects in the Information Systems research area
- Involvement in the development of the newly established European New School and collaboration within a young team with flat hierarchies
- Flexible hours, home office (remote work), workplace in the co-working space of the ENS
- Networking with other students and lecturers of the European New School of Digital Studies Feedback on own projects and scientific work

The European University Viadrina Foundation has set itself the strategic goal of significantly increasing the proportion of women in research and teaching as part of its equal opportunities concept and participates in the DFG's research-oriented equal opportunities standards. It therefore expressly invites female scientists to apply. Female applicants can contact the Equal Opportunity Officer (www.europa-uni.de/gleichstellung). The university supports its members in balancing work and family life. It offers family-friendly study and working conditions. More information can be found at: (www.europa-uni.de/familie) People with disabilities are given priority in case of equal aptitude and ability. It is advisable to mention any disabilities in your application.

Please send your application quoting the above-mentioned identification number, as **one PDF file** to: mpohl@europa-uni.de by **15 May 2026**.

The file will be deleted immediately after the selection process has been completed.
