

# What you should bring with you for the Enrollment Day:

## Documents

- passport or ID card
- European Health Insurance Card (EHIC) if you have any [for Turkish students maybe the AT/11 form]

## Devices

- tablet, laptop or any other device to use WLAN
- USB stick (pen drive) for storing the enrollment documents

## Passport photo

- if possible as a file, otherwise as a photo

## Information

- login data (user name and password) for viaCampus that you received by email from the system viaCampus
- information about your school leaving certificate (Abitur, matura, baccalauréat - or however it should be named in your country)  
you will need the date, the country and the final grade
- if you are on the master level, you will need the same information about your bachelor degree
- current postal address (student residence etc.)
- bank account details

## € Money

- Try to bring the fitting amount of money with you to pay the semester contribution in cash, since there is no option to pay by card.
