

Is support available to you in the form of auxiliary staff, administrative staff, academic staff, or relief of other kinds (e.g., teaching load reduction) to compensate for this activity? If yes, what kind and to what extent:

--

In case you are caring for children: information on the family situation

Name of the child	Date of birth of the child
1	1
2	2
3	3
I am a single parent <input type="checkbox"/> Yes <input type="checkbox"/> No	

Please briefly describe your family situation (especially care responsibilities, family-related time off). Please also address any special difficulties (financial, social hardship, etc.).

--

The following documents must also be submitted, if applicable:

- in the case of doctoral / post-doctoral students: written confirmation that the applicant has a scientific connection to the EUV.
- If applicable, birth certificate of the child/children and, or proof of living together in the same household (e.g. proof from the residents' registration office).

I hereby declare the accuracy of the information provided and undertake to notify any change from the above information in writing without delay.
