Master of Compliance & Integrity Management

The innovative part-time, interdisciplinary Master's programme in German "Compliance & Integrity Management" will start in October 2025 at the European University Viadrina Frankfurt (Oder). The programme is aimed at professionals and leads to a Master's degree in two semesters, including a Master's thesis. The innovative concept is based on the Viadrina Compliance Center's ten years of experience, its extensive networks and expertise. More than 50 experienced compliance officers and outstanding academics from various disciplines will teach the 20 future students.

Welcome to the Forum!

On behalf of all the Conference Partners and Organizers, I would like to welcome you to the 15th Global GOVERNANCE & COMPLIANCE Forum! This year's conference will take place in a special setting. As a result of a long and fruitful collaboration between Warsaw School of Economics and European University Viadrina, the 15th edition of this globally recognized event will take place in Warsaw. During the Forum, with about 25 international experts representing academia, industry and authorities, we will intensively deal with all relevant trends and challenges of governance and compliance in organizations! We are looking forward to welcoming you soon!
